MACCHIA VECCHIA

marble

Italy

The white marble from Italy, because of its linear pattern, lends a unique character to each room. Moreover, due to its veined structure, the material is ideal for naturally elegant spaces, in- and partially outdoors.

technical properties

apparent density	169 lb/ft ³
open porosity	0.35%
compressive strength	13198 psi
flexural strength	2219 psi
moisture absorption	0.1%
abrasion resistance	0.94 in
frost resistance (Δ flex. strength)	1842 psi (-17%)
frost resistance (Δ comp. strength)	13053 psi (-2%)
petrographic examination	marble
